

# VOLUNTEERS NEEDED

Brighton Creek is a special bounty for all of us in the Northwest. It provides us with opportunities for fellowship, service and sacrifice. With the process of entry by troops at hand, the importance of Brighton Creek becomes even more evident. Brighton Creek cannot exist without Volunteers, they are our heart and hands; know that you are definitely needed! If you can help for a day, a week, months or year, please fill out the questionnaire below.
